## WELCOME

Welcome to the 18<sup>th</sup> Annual Early Childhood Resource Fair presented by Strongsville Early Childhood PTA(SECPTA)! We are thrilled to have you join us for this exciting event designed to provide valuable resources and information to support the growth and development of our young learners.

We understand that the early years of a child's life are crucial for their development, and that's why we have gathered a diverse array of exhibitors and experts to offer you the most up-to-date and comprehensive information on early childhood education, parenting, and related services.

The Early Childhood Resource Fair is a unique opportunity for you to:

- Explore a wide range of organizations offering services tailored to children aged 0-6.
- A central location to finding the answers you need to make educated decisions for your children and family.

Our team has worked tirelessly to curate an event that promises to be both educational and enjoyable for you and your family. Whether you are a parent, caregiver, educator, or anyone interested in early childhood development, this resource fair is designed to provide you with the tools and knowledge you need to make a positive impact on the lives of children.

We encourage you to take full advantage of all the resources and opportunities available during the fair. Feel free to ask questions, engage in discussions, and make new connections. We hope you leave this event feeling empowered and inspired to create a nurturing and enriching environment for your littles.
